

## DAP - Securing Your Intellectual Property

Fundamental to outsourcing is the protection of our client's intellectual property rights. Given the somewhat complex nature of international law, how it is applied across borders, it was paramount that Design Assist Partners (DAP) engaged the best professional available.

Julian Gyngell

Solicitor & Attorney L.L.B (Syd) Dip. I.P.L(Lon)

Julian Gyngell, Solicitor and Attorney, was entrusted with providing professional advice throughout DAP's stringent due diligence with its suppliers.

A partner in Tier 1 law firms in London and Asia specialising in Intellectual Property Law and outsourcing IT projects for over 20 years meant Gyngell was the perfect choice for DAP. Now based in Sydney , Australia , he is closely associated to the World Intellectual Property Organisation (WIPO) and the International Trademark Association (INTA).
